OGRA Safe Winter Driving Campaign

OGRA (Ontario Good Roads Association) has initiated a campaign to remind drivers to safely navigate winter roads by slowing down, being patient and giving plows plenty of space.

Everyone has to do their part to get around safely in the winter. Drivers need to have their own plan, which includes leaving earlier and planning a route. It is important to delay unnecessary travel during significant storms to give plows time to do their jobs. It's also safer for drivers. For tips on other ways to drive safely this winter OGRA invites you to visit snowhow.ca for YouTube videos or join the conversation on Twitter, @snowhow_ca and Instagram, @snowhow.ca.

Attention Massey and Webbwood residents that are serviced by Espanola Regional Hydro! If you notice streetlights that are always on, always off, or in need of repair, please contact their Customer Service Line at 705-869-2771. Whenever possible, please provide the street name where the pole is, the nearest cross street and the pole number, and the problem with the light. Thank you!
