

Township of Sables-Spanish Rivers

Federal Gas Tax Funds at Work in Your Community

Since 2005, the Township of Sables-Spanish Rivers has received \$2,649,831 from Canada's Gas Tax Fund to invest in environmentally sustainable infrastructure. Federal funds and local investments have led to an improved quality of life for our residents. Key investments include the following projects:

Investing in Canada
#fedinvest

The Township of Sables-Spanish Rivers continues to utilize Federal Gas Tax Funds for eligible infrastructure renewal in order to maintain the levels of service that our ratepayers depend on. The Township of Sables-Spanish Rivers gratefully recognizes the contribution of the Government of Canada. <http://www.infrastructure.gc.ca/>
