### **PROJECT BACKGROUND AND ACKNOWLEDGEMENTS**

In 2023, the Township of Sables-Spanish Rivers initiated the "We Remember" Cultural Heritage Banner Project to honour veterans within our community. During the initial intake, 33 applications were received, and 33 banners honouring these individuals have been produced.

This initiative was funded in part by a successful grant application received from the Rural Economic Development Program- Strategic Economic Infrastructure Stream. The remainder was funded through the Economic Development and Community Services department operating budget.

The cultural banner project is essential to sharing historical knowledge between community members and encouraging collaboration between residents and the Township.

The Township would like to acknowledge and thank the Royal Canadian Legion Branch 432 (Massey) for all their assistance in verifying veteran information and rank titles, and the veterans' families for sharing their accomplishments.

This project will continue in the future with an annual call for applications to honour any future or outstanding veteran within the community.

Lest we Forget.
