To whom it may concern,

The Township of Sables-Spanish Rivers (TSSR) is happy to announce it is hosting the 3rd Annual TSSR Summer Fishing Tournament in partnership with Anglers Atlas and MyCatch from August 16th to September 2nd.

How it Works

This is an app-based tournament where anglers are encouraged to get outdoors, and fish within the Township boundaries and neighbouring communities. Everyone is encouraged to register; you do not need to be a resident of the Township but do need to fish within the established tournament boundaries. Fish species eligible for the tournament include Walleye, Northern Pike, Lake Trout, and Smallmouth/ Largemouth Bass. Anglers can upload pictures of their catch into the app, where it is evaluated and scored by a team of student biologists provided by Anglers Atlas. For more information on tournament boundaries, rules, and prizes, please visit www.sables-spanish.ca or www.anglersatlas/event/813.

Prizes

Participants will be eligible to win the cash prizes for 1st, and 2nd, of each species category. The Township will also be offering an additional \$500 in prizes for various categories including, smallest fish caught, random draw etc. Simply being registered in the tournament makes participants eligible to win!

We invite your business/organization to participate in the TSSR 2024 Summer Fishing Tournament by becoming a sponsor, advertiser or by donating a prize. Please note monetary donations can be made via cheque and made out to the Township of Sables-Spanish Rivers. We will recognize you for your sponsorship/ donation by displaying your business's name on the Tournament Registration page and Leader Board throughout the entire event and provide a special spotlight on our advertising platforms!

Your potential donation would be greatly appreciated to create additional excitement from participating anglers. If you are not able to donate, the Economic Development and Community Services committee would truly appreciate your assistance in promoting the tournament by displaying some of the promotional materials attached.

If you have any questions regarding this letter or the tournament, please do not hesitate to contact the office by phone at 705-865-2646 or by email at astmichel@sables-spanish.ca
